About The Event

Wellingborough is the only UK town to host this event as part of the IML Walking Association. Over three days it attracts more than 6,000 people to the town, including those from other local walking groups and organisations from across the UK.

This walking event starts on Friday 17th May with a 5k Friendship walk in the Town Centre of Wellingborough before the main event commences on Saturday 18th and Sunday 19th with 5km-42km walks across the countryside of Northamptonshire. All walks start and finish in Wellingborough.

About Us

We are dedicated to providing activities in the community to boost the economy and people's well-being. This event is a great opportunity to highlight our local charities, like Teamwork Trust who took part in the walk last year.

As part of the program of activities, every event has an opportunity for businesses to promote their organisation through sponsorship packages.

Sponsor

Highlights

All walkers start and finish at the same location in Wellingborough. No walker can take part unless signed in at the checkpoint, and at the end of the walk, walkers return to gain a certificate and a medal. There are 20 checkpoints along the range of route from 5km - 42km route, where all walkers will stop for refreshments, comfort breaks and welfare checks.

First Highlight

Stalls available at all check point stops, as well as start and finish points.

All walkers must check in at the check points.

Second Highlight

All walkers will start and finish in the same location and are required to register before they start their walk. On completion of any walk, the walker will collect their certificate at the finish location. The primary sponsor will have a stand next to the registration table and the certificate issuing table.
